End action Brasilia.

ACTION Tel Aviv: Department requests that Embassy Tel Aviv conduct a site visit to Intl Transportation LTD in order to assess its business operations, on-site security, and general reliability as a recipient of United States Munitions List (USML) items. The following questions are offered as suggested guidance with Intl Transportation LTD:

- Can the company provide documentation from the Brazilian Air Force? (e.g. purchase order, contract, or letter of intent) firmly establishing it as the end user?
- What is the company's exact role in this transaction?
